Simplifying your steps

You will not have to provide them with a certificate of change of name or sex designation and a new birth certificate as proof of the change. General Information Concerning an Application to Change the Sex Designation of a Person between 14 and 17 Years of Age Filed by his Parent or Tutor

Do not include this document with your application.

What should you know?

To file an application to change the sex designation of a person between 14 and 17 years of age, you must be the father, mother or tutor of that person. The person concerned by the application must be domiciled in Québec for at least one year. However, the Directeur de l'état civil can change the sex designation on the act of birth of the person concerned by the application if that person was born in Québec but not domiciled there if such a change is not possible in the country or province where the person is domiciled. In this situation, it is your responsibility to show that it is impossible to obtain the change in the country or province where person concerned is domiciled. Contact us for more information on this subject.

You must support your application with the affidavit laid out in Section 7 of the *Application to Change the Sex Designation of a Person between 14 and 17 Years of Age Filed by his Parent or Tutor* form.

Your application must also be supported by a letter from a physician, psychologist, psychiatrist, sexologist or social worker authorized to practice in Canada or in the State in which the person concerned is domiciled, who declares having evaluated or followed the person concerned by the application and who is of the opinion that the requested change of sex designation is appropriate. If the person concerned by the application has already obtained a change of sex designation, this letter must also state that the change is appropriate having regard to the affidavit made in support of the initial application.

Changing given names

In addition to the change of sex designation, you may apply to change one or several given names of the person concerned by the application to reflect his new gender identity. However, you cannot apply to change his surname by means of the application for a change of sex designation. In that case, you must submit an application for a change of name. Contact us for information on the steps involved.

Amending civil status acts

The change of sex designation and, if applicable, given names of the person concerned by the application will be made to his act of birth and, if applicable, to his act of marriage. If the person concerned by the application has children, the change will be made on their acts of birth.

Person born outside Québec

If you were born outside Québec and your birth is not entered in the Québec register of civil status, you must apply to the Directeur de l'état civil to insert your act of birth in the register to enable us to process your application for a change of sex designation. In that case, complete the *Application for Insertion of an Act of Civil Status Made Outside Québec in the Québec Register of Civil Status* form, available on our website or by contacting us. You must submit this form along with all required documents in the same envelope as the application for a change of sex designation.

What forms must you complete?

The following forms must be completed:

- Form – *Application to Change the Sex Designation of a Person between 14 and 17 Years of Age Filed by his Parent or Tutor*;
- Appendix – *Information on the Children of a Person between 14 and 17 Years of Age Concerned by the Application of Sex Designation*;
- Appendix – *Application for the Simplified Forwarding of Information Relative to the Change of Sex Designation or Name of a Person Under 18 Years of Age*;
- Appendix – *List of Documents to Include with the Application to Change the Sex Designation of Person between 14 and 17 Years of Age Filed by his Parent or Tutor*.

Don't forget to include with your application all the documents meeting your situation as indicated in the appendix List of Documents to Include with the *Application to Change the Sex Designation of a Person between 14 and 17 Years of Age Filed by his Parent or Tutor*. Omitting a document could result in delay or in the rejection of your application.

Processing Fees

The fees charged to process an application for a change of sex designation or to obtain a change of sex designation certificate are set out in the table below. These fees are in effect until March 31, 2022.

Application	Fee
Change of Sex Designation	\$144.00
Issue of an extra certificate *	\$11.70

* A change of sex designation certificate (French only) or a change of sex designation and name certificate (French only) is issued to the applicant when the Directeur de l'état civil renders a favorable decision. If you wish to obtain an extra certificate, you must add the amount payable for the issue of the extra certificate to the total amount payable.

Processing an application for a change of sex designation generally takes 90 business days if, upon receipt of the application, all the necessary documents meeting the requirements are provided.

Decision rendered by the Directeur de l'état civil

After analyzing an application for a change of sex designation, the Directeur de l'état civil issues a written decision setting out the reasons for accepting or rejecting the application. The decision is sent to the applicant.

Only the court may review the decision. A person who is not satisfied with a decision rendered by the Directeur de l'état civil may, within 30 days of receiving the decision, file a motion with the court to request a review.

Upon expiry of the 30 days, if the decision by the Directeur de l'état civil is favorable and if no motion to review the decision is submitted to the court, the change takes effect. The Directeur de l'état civil then sends a change of sex designation certificate (French only) or a change of sex designation and name certificate (French only) to the person concerned by the application for a change of sex designation.

Affidavit

You must support your application with the affidavit laid out in Section 5 of the form. In Québec, an affidavit must be made before a commissioner for oaths or a person authorized to administer oaths (justice of the peace, attorney, notary, court clerk or deputy clerk, mayor, councilor, clerk or secretary–treasurer of a municipality, the Secretary General, the associate secretaries general and the associate secretaries of the National Assembly of Québec). The person who administers your affidavit cannot be your father, mother, brother, sister, spouse or child.

Affidavits can be made free of charge at the offices of Services Québec.

To find out more about commissioners for oaths, to locate a commissioner or to check whether a commissioner is authorized to administer affidavits on a specific date or in a specific judicial district, see the website of the Register of Commissioners for Oaths or call the Ministère de la Justice du Québec at a phone number below. If you have difficulty finding a commissioner for oaths or if you are not domiciled in Québec, you can also contact us.

Simplified forwarding of information relative to the change

When the change of sex designation and, if applicable, of given names takes effect, it is your responsibility to have your sex designation or given names amended in any files concerning you held by government departments or agencies. These steps generally entail providing a change of sex designation and name certificate and a new birth certificate. However, the Directeur de l'état civil can notify certain departments or agencies of the change on your behalf, eliminating the need for you to provide them with these documents. To this end, you must complete the *Application for the Simplified Forwarding of Information Relative to the Change of Sex Designation or Name of a Person Under 18 Years of Age* appendix, included with this application. This form shows a list of the departments and agencies as well as the programs covered by this service.

Information is forwarded in the context of agreements with government departments and agencies that authorize the Directeur de l'état civil to communicate to them the information they require to apply the laws and programs they administer. These agreements provide for procedures that comply with applicable legislation, in particular concerning the protection of personal information. For further details or to access the information concerning you, or to have that information corrected, contact the department or agency in question.
