To the applicant

**Simplifying your steps**

When the requested change takes effect, the Directeur de l’état civil will notify certain government departments and agencies by forwarding them the information they need to modify the sex designation or name in their files, eliminating the need for you to take steps with them regarding the change. You will not have to provide them with a certificate of change of name or sex designation and a new birth certificate as proof of the change. Please note that you must nevertheless contact the Régie de l’assurance maladie du Québec to obtain a new health insurance card.

The following government departments and agencies will be notified automatically:

- **Régie de l’assurance maladie du Québec**
  - To modify the name or the sex designation recorded in your file in the context of the Health Insurance Plan and, if applicable, the Public Prescription Drug Insurance Plan.
- **Retraite Québec**
  - To modify the name or the sex designation recorded in your file, if applicable, in the context of the Québec Pension Plan and the child assistance measure.

The Director will also inform the ministère du Travail, de l’Emploi et de la Solidarité sociale, Retraite Québec (for public sector pension plans), the Curateur public du Québec and the Commission des normes, de l’équité, de la santé et de la sécurité du travail if the answers you give in this form concern them.

**Important!** You must check whether you have steps to take with other departments and agencies.

General Information Concerning an Application to Change the Sex Designation of a Person Over 18 Years of Age

To file an application, you must be the person concerned by the change of sex designation.

You must be 18 years of age or older, hold Canadian citizenship and be domiciled in Québec for at least one year. However, the Directeur de l’état civil can change the sex designation on your birth certificate if you were born in Québec but are not domiciled in Québec if such a change is not possible in the country or province where you are domiciled. It is your responsibility to show that it is impossible to obtain the change in the country or province where you are domiciled. For more information, contact us.

You must support your application with the affidavit laid out in Section 5 of the Application to Change the Sex Designation Appearing on the Act of Birth form. In addition, you must include with your application the affidavit of a person of full age, as laid out in Appendix – Affidavit of a Person Who Knows the Applicant. If you have already obtained a change of sex designation, you must also include a letter from a physician, psychologist, psychiatrist, sexologist or social worker authorized to practice in Canada or in the State in which you are domiciled, who declares having evaluated or followed you and who is of the opinion that the change of sex designation is appropriate having regard to the affidavit you made in support of your initial application.

**Changing given names**

In addition to the change of sex designation, you may apply to change one or several of your given names to reflect your new gender identity. However, you cannot apply to change your surname by means of the application for a change of sex designation. In that case, you must submit an application for a change of name. Contact us for information on the steps involved.

**Amending civil status acts**

The change of sex designation and, if applicable, your given names will be made to your act of birth and, if applicable, to your act of marriage or civil union. If you have changed your given name(s) and have children, these names will be amended on their acts of birth.

**Person born outside Québec**

If you were born outside Québec and your birth is not entered in the Québec register of civil status, you must apply to the Directeur de l’état civil to insert your act of birth in the register to enable us to process your application for a change of sex designation. In that case, complete the Application for Insertion of an Act of Civil Status Made Outside Québec in the Québec Register of Civil Status form, available at our service counters, on our website or by contacting us. You must submit this form along with all required documents in the same envelope as the application for a change of sex designation.

**What forms must you complete?**

The following forms must be completed:

- Application to Change the Sex Designation of a Person 18 Years of Age and Over form
- Appendix – Information on the Applicant’s Children (if you have children)
- Appendix – Affidavit of a Person Who Knows the Applicant
- Appendix – Application for the Simplified Forwarding of Information Relative to the Change of Sex Designation or Name of a Person 18 Years of Age and Over
- Appendix – List of Documents to Include with your Application to Change the Sex Designation of a Person 18 Years of Age and Over

Don’t forget to include with your application all the documents meeting your situation as indicated in appendix List of Documents to Include with your Application to Change the Sex Designation of a Person 18 Years of Age and Over. Omitting a document could result in delay or in the rejection of your application.

**Processing Fees**

The fees charged to process an application for a change of sex designation or to obtain a change of sex designation certificate are set out in the table below. These fees are in effect until March 31, 2020.

<table>
<thead>
<tr>

<tbody>
<tr>
<td>Change of Sex Designation</td>
<td>$140.00</td>
</tr>
<tr>
<td>Issue of an extra certificate *</td>

</tr>
</tbody>
</table>

* A change of sex designation certificate (French only) or a change of sex designation and name certificate (French only) is issued to the applicant when the Directeur de l’état civil renders a favorable decision. If you wish to obtain an extra certificate, you must add the amount payable for the issue of the extra certificate to the total amount payable.

Processing an application for a change of sex designation generally takes 90 business days if, upon receipt of the application, all the necessary documents meeting the requirements are provided.

**Affidavit**

You must support your application with the affidavit laid out in Section 5 of the form, and with the affidavit of a person having the age of majority who has known you for at least one year. In Québec, an affidavit must be made before a commissioner for oaths or a person authorized to administer oaths (justice of the peace, attorney, notary, court clerk or deputy clerk, mayor, councillor, clerk or secretary–treasurer of a municipality, the Secretary General, the associate secretaries general and the associate secretaries of the National Assembly of Québec). The person who administers your affidavit cannot be your father, mother, brother, sister, spouse or child.

Affidavits can be made free of charge at the offices of Services Québec and of the Directeur de l’état civil.

To find out more about commissioners for oaths, to locate a commissioner or to check whether a commissioner is authorized to administer affidavits on a specific date or in a specific judicial district, see the website of the Register of Commissioners for Oaths or call the Ministère de la Justice du Québec at a phone number below. If you have difficulty finding a commissioner for oaths or if you are domiciled outside Québec, you can also contact us.

[1] FO−12−17 (2019−04−01)
**Decision rendered by the Directeur de l’état civil**

After analyzing an application for a change of sex designation, the Directeur de l’état civil issues a written decision setting out the reasons for accepting or rejecting the application. The decision is sent to the applicant.

Only the court may review the decision. A person who is not satisfied with a decision rendered by the Directeur de l’état civil may, within 30 days of receiving the decision, file a motion with the court to request a review.

Upon expiry of the 30 days, if the decision by the Directeur de l’état civil is favorable and if no motion to review the decision is submitted to the court, the change takes effect. The Directeur de l’état civil then sends a change of sex designation certificate (French only) or a change of sex designation and name certificate (French only) to the person concerned by the application for a change of sex designation.

---

**Simplified forwarding of information relative to the change**

When a change of sex designation and, if applicable, of given names takes effect, it is your responsibility to have your sex designation or given names amended in any files held by government departments or agencies concerning you. These steps generally entail providing a change of sex designation and name certificate and a new birth certificate. However, the Directeur de l’état civil can notify certain departments or agencies of the change on your behalf, eliminating the need for you to provide them with these documents. To this end, you must complete the Application for the Simplified Forwarding of Information Relative to the Change of Sex Designation or Name of a Person 18 Years of Age and Over appendix, included with this application.

Information is forwarded in the context of agreements with government departments and agencies that authorize the Directeur de l’état civil to communicate to them the information they require to apply the laws and programs they administer. These agreements provide for procedures that comply with applicable legislation, in particular concerning the protection of personal information. For further details or to access the information concerning you, or to have that information corrected, contact the department or agency in question.

---

**What documents enable us to establish a person’s identity?**

The Directeur de l’état civil applies security measures to accurately establish the identity of the applicant and of the person who completed the Affidavit of a Person Who Knows the Applicant appendix. To this end, the following documents must be included with the application:

- One valid photo identification document for the applicant and another for the person who completed Affidavit of a Person Who Knows the Applicant appendix;
- Two proofs of home address for the applicant. (A single proof of home address is required for the person born in Québec but domiciled elsewhere).

**List of accepted documents**

Only the identity documents listed below are accepted. If you cannot provide one of these documents, contact us to determine the solution best suited to your situation.

**An identity document bearing a photo and signature**

- Driver’s licence
- A driver’s licence is accepted as identification only if it is not submitted as proof of home address.
- Health insurance card
- Canadian or foreign passport

- A driver’s licence is accepted as proof of home residence only if it is not submitted as a photo identity document.
- Government postal correspondence
- Bill from an energy, telephone service or cable provider

**Document validity**

**Quality of photocopies**

All photocopied documents must be legible.
